* A unique situation involving the Wilmer-Hutchins Independent School District of Dallas County resulted in a reduction in the district's 2005-2006 total tax rate of \$0.2946. Since this reduction is an anomaly, the district's data were not used in calculating county or regional averages for 2005-2006. To allow unqualified data comparison from one year to another, the district's data were also eliminated from use in calculating prior year averages.
