

## **General Curriculum and Assessment**

### Creating Meaningful Portfolios

Fee: \$50.00 (book included)

This Moodle course is based on the text, *The Portfolio Connection, Student Work Linked to Standards*, with a discussion forum for each module also using Adobe Connect Pro.

### Using Technology to Capture Meaningful Portfolios

Fee: \$75.00 (includes a copy of Adobe Acrobat 9)

Join us here in the Region 10 computer lab to learn Adobe Acrobat 9 using the Portfolio feature. Participants will learn to use the software to create electronic portfolios. Creating Meaningful Portfolios is a prerequisite: Creating Meaningful Portfolios

## **iCAT**

### iCAT Demo
