

**2009-2010 Migrant Education Program  
Professional Development Opportunities  
Web- Based Offerings**

**District Effectiveness and Compliance Assistance**

Web-based technical assistance is provided to meet specific district needs in developing and implementing policies regarding migrant students. Focus will be on providing district/campus structure necessary to deliver services to migrant students based on identified state and local migrant student needs.

**Meeting the Needs of Migrant Students**

Web-based technical assistance is provided to meet the unique educational and educationally-related needs of specific migratory students in a district. Focus will be on working with the district/school level migrant contact to provide support services that help the migrant child overcome the challenges of mobility, cultural and language barriers, social isolation, and other difficulties associated with the migratory lifestyle in order to succeed in school.
