

## **Multi Region Food Cooperative Professional Development**

### **Regional/Cluster Offerings 2010 - 2011**

#### **Basic Commodity Training (Group A&B Pass thru Value)**

Participants will learn how to effectively order Group A&B items and read Weekly Commodity Bulletin. Training will also be on different commodity processing purchasing options between Fee for Service and Pass thru Value and what the cost differences are between the different options.

#### **Regional Commodity Training with state and training on Co-Op processing form**

TDA will update districts on changes to the commodity program for the 2012 program year. After the TDA meeting I will go over items selected for commodity processing by the Advisory Council.
