

Working With Students With Cerebral Palsy

The Pathology of CP: How did this happen? Spasticity Management, Toileting, Bus Safety/Car Seats, Teaching Skills of Walking Using Gait Trainers/Standing Programs. These topics and more will be addressed in this two day professional development.

Ginny Paleg, PT, has extensive experience as a pediatric physical therapist and has written or co-authored numerous publications and articles. She has guest lectured at annual conferences of the APTA, Abilities Expo, World Congress on Disabilities, International Seating Symposium, RESNA, Medtrade and others. In her presentations, she applies several new, evidenced based concepts in the fields of spasticity, neuroplasticity, and equipment use.
