

Medical Conference for School Personnel

Medical knowledge, surgery techniques and post-op care are constantly changing. It is important for school personnel to stay abreast of these changes in a rapidly developing medical field. This conference is intended to provide an update on orthopedic surgeries, prosthetics, treatment of neuromuscular diseases and other topics of interest that may impact students with disabilities.

Presenters: Various presenters from Texas Scottish Rite Hospital

Location: Texas Scottish Rite Hospital, Dallas, Texas
Room: TSRH Conference Center

Date: Wednesday, January 13 and
Thursday January 14, 2010
