

Sponsorships

General Sponsorship

We are seeking sponsorships for the 13th annual Sports Extravaganza. This sports competition for students with visual impairments ages 0 – 22 will be held at Nimitz High School in Irving, Texas on October 21 & 22, 2011. This year, it is anticipated that 300 athletes with visual impairments, 500 family members and 300 volunteers will participate in the weekend events. In addition, because of the growth of the goalball tournament, we will be hosting a separate Lone Star Classic Goalball Invitational Tournament tentatively scheduled for the first weekend in March, 2012.

Sponsorships are available to support many areas of Sports Extravaganza and the Lone Star Classic Goalball Invitational Tournament. Please look at the attached information about Platinum, Gold, Silver, Bronze and Ambassador Sponsorship levels. Sponsorships are used to purchase food, equipment, and supplies to host the annual events. In addition, funds will be used to help defray the expenses of adult athletes with visual impairments who will mentor student athletes participating in Sports Extravaganza.
