

Technical Assistance Program
For Occupational and
Physical Therapists as
Two Heads are Better than One!

Region 10 ESC offers technical assistance to all occupational and physical therapists within the region. Technical assistance consists of:

- **Problem solving/brainstorming regarding a student's:**
 - **Evaluation**
 - **Equipment**
 - **Programming**
- **Onsite/partner professional development for therapists, teachers and paraprofessionals**

(Technical assistance does not include ARD attendance or on-going student intervention.)

This program is offered at no cost to the LEA/SSA. Onsite Technical Assistance (TA) requires a request form signed by the Special Education Director. Phone TA are available without a formal request.
