

Region 10 ESC  
Technical Assistance Program  
*Two Heads are Better than One!*

Region 10 ESC offers technical assistance to all therapists within the region. If you need to problem solve/brainstorm with another therapist regarding:

- A particular student
  - Evaluation
  - Equipment
  - Programming
  
- Onsite/partner in-services or professional development

*This program is offered at no cost to the LEA/SSA. On-site Technical Assistance (TA) requires Request Form signed by Special Education Director and scheduled with therapists. Phone TA available anytime.*
