

*dare to lead*TM

Based on the research of Brené Brown

Join us for a 3 day mini-retreat at Region 10!

October 25-27, 2021

BASED on the research of Dr. Brené Brown, Dare to LeadTM is an empirically based courage building program designed to be facilitated by organizational development professionals.

The most significant finding from Brené's latest research is that courage is a collection of four skill sets that are teachable, measurable, and observable. The Dare to LeadTM program focuses on developing these courage building skills through workshops, trainings, and coaching to help individuals, teams, and organizations move from armored leadership to daring leadership. Individuals who successfully complete the full 24-hour Dare to LeadTM program will receive a certificate of completion and are allowed to put the Dare to Lead Trained badge on their LinkedIn account.
