ERSEA Updates

- Preparing for pre-registration
- Preparing for this months Cluster meetings
  - We received great feedback from our Site Facilitators regarding the first cluster meeting. It was a great collaboration, and some have sent in topics for this month's agenda.
- Preparing for March content training
- Agency Visits
  - Met with HSGD Family Service Manager. He was a wealth of knowledge
  - The team made a trip to Kilgore and met with the Region 7 Program Compliance Coordinator. He and his team shared valuable information regarding their ERSEA content area
  - We have built great partnerships with both and look forward to continued collaboration with these partners

Inclusion

Inclusion Updates

- Inclusion consultants planning for Summer PD.
- Inclusion team creating a Co-Teaching webinar for staff in districts with blended classrooms.
- Inclusion consultants continue to support teachers, families, and student in HS/EHS.

Quality Assurance

Data in Head Start

- 1302.101 (b)(4)

(b) *Coordinated approaches*. At the beginning of each program year, and on an ongoing basis throughout the year, a program must design and implement program-wide coordinated approaches that ensure:

(4) The management of program data to effectively support the availability, usability, integrity, and security of data. A program must establish procedures on data management, and have them approved by the governing body and policy council, in areas such as quality of data and effective use and sharing of data, while protecting the privacy of child records in accordance with subpart C of part 1303 of this chapter and applicable federal, state, local, and tribal laws.
