Subject: Request to host 8 hour Recertification Class

Classes will continue to be held at school districts desiring to host Texas School Bus Driver Certification Training Courses.

We understand that you may have a large number of drivers needing to complete the 8-Hour School Bus Driver Re-Certification at a specific time. (A driver may attend the 8-Hour Re-Certification class up to 180 days prior to the expiration of their card and maintain their anniversary date.) If we can accommodate this request, pending availability of one of our Instructors, we are willing to hold a respective class at your time and location.

We require a minimum of twenty-five (25) participants for one of these workshops, and we can go up to a maximum of thirty-five (35) drivers.

If you have any questions, please call me at (972) 348-1326.
