AT operates in the same functional office and is administrated by Student Disability Resources and Services, but is named AT mainly to be more descriptive of services.

The following software programs are available for student use through SDRS. Please contact SDRS for training and assistance on using these programs.

- **Read and Write Gold** - (All Main Campus computer labs)
- **Jaws** - (Gee Library Rooms 103A, 104, and 132)
- **Dragon Naturally Speaking** - (Gee Library Rooms 103A, and 132)
- **ZoomText** - (Gee Library Rooms 103A, 104, and 132)
- **MathType** - (Gee Library 132)
- SDRS also has two CCTV's located in the SDRS testing room. An additional CCTV is located in the library at the Mesquite Metroplex Center. SDRS has a Braille embosser used to create printed materials for students with vision impairments.
