Kids in Motion Stay in Motion.

YOU CAN'T ARGUE WITH SIR ISAAC NEWTON, so of course, kids in motion stay in motion; that's why our 10th Annual Kid-Netic Games are designed to inspire kids to stay in motion. Athletes with physical impairments can spend the day mastering new skills in a variety of sports, making new friends, meeting the challenges of competition with good sportsmanship and so much more! It will definitely be a full day of activities and making great memories for everyone.

Athletes may choose to compete in events, attend clinics or both!
